## Restoring American History

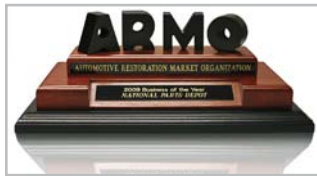

**New Casting Brake Calipers**  
 Now available New Castings. No need to be troubled with dealing with a core any more! Offered for 1969-81, prices start at \$40.95

**Thermal & Damping Insulation**  
 HushMat material technology was introduced to North American automobile manufacturers in 1988. The foil-constrained layer damping technology material is now specified and used by every automobile manufacturer in the US. These same materials are now available to you! Order quantity of sheets needed to complete any job 959-10.

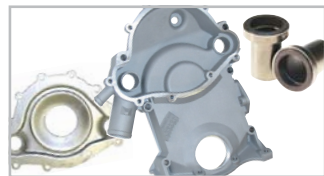

**Ceiling Mount Seat Belt**  
 Finally a replacement seat belt for your 1977-81 Firebird. No longer struggle with sloppy belts that don't retract. This replacement has an improved retractor that mounts in the ceiling location. Sold per seat, C-14875-11A \$144.95

National Parts Depot is proud to have been named "2009 Business of the Year" by the Automotive Restoration Market Organization. To be honored in this way only strengthens our resolve to lead the restoration parts industry in overall quality, customer service, speed, value and ethics. You can place faith in our performance.
